

2020 INDIVIDUAL MEMBERSHIP FORM

Members of the Coalition on Homelessness agree to work collaboratively to ensure safety and survival for people while they are homeless, and to end the crisis of homelessness in our region.

Individual membership in the Coalition is a way for people to get involved, inform our work, and support safety, housing, and justice. If you are committed to supporting our mission, please use a membership level that works for you ~ and welcome!

- We invite people who know homelessness and poverty first-hand to become members.
- We encourage people who work or volunteer in social services, housing, and all kinds of health care to join us.
- Concerned community members who support our mission are welcome to join the Coalition.

Please note: Congregations, service or community groups, and congregations are invited to join as allied organizations. Please use our Organizational Membership form or contact Coalition staff for details.
