

Coalition membership is open to organizations that commit to our mission to mobilize our community to challenge systematic causes of homelessness and advocate for housing justice

Organizational membership includes engagement with these priorities:

- Commit to and uphold the Coalition’s mission
- Active participation at Monthly General Membership meetings
- Case manager trainings, professional development for providers & allies
- Advocacy 101 workshops
- Helping Homeless Students (including Project Cool for Back to School)
- Civic Engagement (including Voter Education and Registration)
- Budget & Policy Advocacy at the city, county, and/or state level
- Housing & Homelessness Advocacy Day in Olympia
- Vote on slate of candidates for Coalition Board

We consider active participation in Coalition meetings, special projects, campaigns, and activities to be as important as membership dues – we invite you to consider where your staff and program participants might want to connect with our work, and to have at least one staff person commit to attend monthly membership meetings to facilitate information sharing and get the most out of your Coalition membership!
