

How Should I Vote?

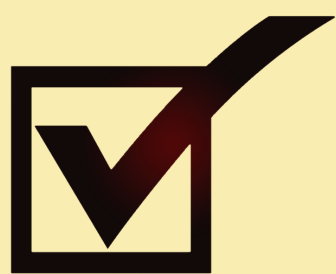

Your vote is your choice.

There are lots of media sources and organizations who will tell you how to vote, many of them being biased.

Here are a few nonpartisan, objective resources:

A **King County Voters' Pamphlet** will be set to your mailing address

King County has **personalized, online voter's pamphlets** at bit.ly/3r9Os0e

League of Women Voters has nonpartisan voter guides available online at vote411.org/ballot

justfacts.votesmart.org lets you to search for specific candidates, showing bios, positions, and voting history

www.activote.net has a smartphone app AND web directory of candidates on your ballot
