

2024 Membership Form

Allied organizations and local government

Allied membership in the Coalition is open to organizations and local government entities that are committed to our mission:

To mobilize our community to challenge systematic causes of homelessness and advocate for housing justice.

Allied member organizations are invited to participate in and contribute to Coalition activities and projects, including:

- Monthly General Membership and South King County Forum on Homelessness meetings
- Case manager trainings and professional development for service providers & allies
- Community education, engagement, and advocacy opportunities
- Volunteer opportunities (e.g. Helping homeless students (Project Cool for Back to School) and voting rights for people who are unstable housed or homeless)
- Information about public policy advocacy at the local, state, and federal levels
- Campaigns for a stronger workforce (Essential Work, Essential Workers) and to secure deep and sustained investments to bring housing solutions to scale
- Annual Membership meeting (May) and Annual Legislative Preview (December)

We consider allied organizations' active partnership to be as important as your membership contribution – we invite you to consider where your staff might want to connect with our work, and how we can ensure sharing timely and important information with our members, and tap into their knowledge and expertise to inform your agency's work.

Members of the Coalition on Homelessness play an integral role in our work to advocate for safety, housing, and justice.
