

2026 Membership Form

Allied Organizations & Local Government

Allied membership in the Coalition is open to congregations, businesses, mutual aid, community groups, or local government entities that are committed to our mission:

To mobilize our community to challenge systematic causes of homelessness and advocate for housing justice.

Allied member organizations are invited to participate in and contribute to Coalition activities and projects, including:

- **Staff learning and professional development opportunities** – Through our monthly General Membership meetings, co-convening the South King County Forum on Homelessness, and regular trainings on public benefits, we help new and experienced staff learn, connect, and develop skills to better navigate, advocate, and stay current on a wide range of topics. Recent topics have included; *Helping Homeless Students: McKinney Vento 101*, voting rights for people without traditional addresses, ABD and HEN, state and federal food benefits, and *How to Respond if ICE comes to your workplace*.
- **Member services:** Regular meetings of Senior Leaders, the Policy and Advocacy Workgroup, and Training Collaborative
- **System improvements and investments** – Lead and convene members to discuss and address sector-specific and broaden policy matters at the local, county, state, and federal levels.
- **Special events and activities like Project Cool** - Our Backpacks, books, and school supplies program to support families with school-aged children served by dues paying Coalition member organizations. In 2025 we served 1804 students who were being served by member agencies.

We consider allied organizations' active partnership to be as important as your membership contribution – we invite you to consider where your staff might want to connect with our work, and how we can ensure sharing timely and important information with our members and tap into their knowledge and expertise to inform your agency's work.

Members of the Coalition on Homelessness play an integral role in our work to advocate for safety, housing, and justice.
